american popular culture has a rich potential for delivering the narratives of the american people who are often confined by their race ethnicity gender social class economic situation or
in very simple terms by the conditions of their birth in this context the volume focuses on the confinement narratives within the products of popular culture displaying how movies
documentaries authors and artists explore the theme of confinement

this is a story about three girls and their friendship with each other at a time when they made the decision to step out into the world and become independent adults and responsible for
themselves christi and elisa have been best friends since they were nine and ten years old christi is the oldest and has just finished her first year of college and elisa has just graduated
from high school they have not seen each other in a number of months because of christi being away at college this has been the longest period of time that the girls have ever been apart
since they have been friends every year as soon as school was out for the summer they would head for the beach house on mexico beach in florida elisa s mom owns a number of condos
on different beaches that she leases out but this beach house on mexico beach was the one where the girls always stay in the girls love being at the beach and really enjoy the water and
water sports both of the girls are very athletic but are never involved in school sports they both have their own personal interests and enjoy being together
